I am a motivated and curious learner with strong adaptability in computer science. I thrive on solving problems, picking up new skills quickly, and delivering my best in every task. I value teamwork, clear communication, and continuous improvement. As I start my professional journey, I aim to contribute fresh ideas, dedication, and a strong work ethic to any role I take on.

INTERNSHIPS

Full stack development - kitsw

Feb 2025 to June 2025

- Gained hands-on experience in full-stack web development using React.js, Spring Boot, and SQL.
- Worked on building scalable web applications with a strong focus on REST API development, frontend integration, and secure user authentication (JWT).
- Applied backend principles using Spring Boot to manage services, database connectivity, and authentication flows.

Web Development Internship - CodeAlpha

June 2024 to July 2024

Project: Personal Portfolio Website:

- Created a responsive portfolio using HTML, CSS, and JavaScript. Showcased
- skills, projects, and contact information in a clean layout. Added smooth
- navigation and interactive elements for better user experience.

PROJECTS

Odyssey - Travel Journal Application [↗](#)

Tech Stack: React.js, TypeScript, Spring Boot, SQL, Leaflet.js, React Query, JWT

- Developed a full-stack travel journal app using React (TypeScript) and Spring Boot, featuring secure JWT-based authentication and role-based access.
- Built core features including interactive maps, rich text journal entries, location tracking, and media uploads.
- Integrated Leaflet.js and React Query for real-time geocoding, location search, and dynamic dashboards.
- Delivered a responsive, user-friendly UI with modern components, filters, and smooth UX for efficient travel documentation.

TECHNICAL SKILLS

- **Programming Languages:** Java, Python ,C
- **Web Development & Databases:** React.js, Spring boot, REST APIs, SQL, MySQL, MongoDB
- **Software Engineering Concepts:** Object-Oriented Programming (OOP), Data Structures

EDUCATION

Kakatiya Institute of Technology and Science	2022 - 2026
<i>Bachelor of Technology (B.Tech), Information Technology</i>	
Alphores Junior College	2020- 2023
<i>Intermediate, MPC</i>	
Tejaswi High School	2020
<i>SSC</i>
